Hair-holding devices may be used only for securing the hair. Soldiers will not place hair-holding devices in the hair for decorative purposes. All hair-holding devices must be plain and of a color as close to the soldier's hair as is possible or clear. Authorized devices include, but are not limited to, small, plain scrunchies (elastic hair bands covered with material), barrettes, combs, pins, clips, rubber bands, and hair bands. Devices that are conspicuous, excessive or decorative are prohibited. Some examples of prohibited devices include, but are not limited to, large, lacy scrunchies; beads, bows, or claw clips; clips, pins, or

NOTE:

Beginning 01 July 2015, Soldiers will be authorized to wear the Army Combat Uniform (ACU) based on the Operational Camouflage Pattern. The various combinations of uniform items and ACU patterns Soldiers will be authorized to wear after 1 July 2015 until the full transition is complete on 1 October 2019. During the transition period, Soldiers will be authorized to wear uniforms based on three camouflage patterns. In that period, Soldiers will be authorized to wear uniforms based on three camouflage patterns: (1) Operational Camouflage Pattern (2) Operation Enduring Freedom Camouflage Pattern and (3) Universal Camouflage. After 30 September 2019, only ACUs (with new accessories) in the Operational Camouflage Pattern will be worn.
